GIVING FAMILIES A STRONG START

Your child was born to learn - and you are their most important teacher. Parents as Teachers is a home visiting program that aims to empower you to parent with confidence and raise a child that is healthy, safe, and ready for school.

During a home visit, your Parent Educator will:

- Share information about every stage of your child's development
- Partner with you to ensure your child is healthy, safe, and ready for school
- Provide materials for you and your child to connect through activities, games, and crafts
- Connect you to resources that can help your family

Parents as Teachers is proven to:

 Increase parent knowledge of early childhood development

 Improve early detection of developmental delays & health issues

 Increase children's school readiness and success

 Prevent child neglect and abuse
