Beyond the shadows: Embracing Opioid Recovery and Resilience, Rise Up

Project Overview: In collaboration with Wood County Human Services (Youth Diversion) and Three Bridges Recovery, Rise Up would like to head a mural project with impact in Wisconsin Rapids. We would like this project to be an education and stigma reduction campaign to fight Opioid abuse but also educate on recovery. This mural project will host an artist to express through mural mediums what it's like in recovery to reduce stigma.

The task force does not recommend this for funding. Rationale is that they do not have an approved site for the mural project. The task force also felt this was a high fiscal request for this type of project and funds would be better used in other areas.

DATE: October 04, 2024

Remarks:

First, a huge thank you to the Wood County Sheriff’s Department Investigators for their help with some of the cases in September. We had several cases that were investigated and autopsied. I continue to talk with the investigators with respect to these cases. It is great to have the ability to discuss cases so each department is “on the same page” when deciding which direction the case should go.

I wanted to thank Sarah Christensen, Roland Hawk, Joe Ritchay and Haertel Monuments for their help in finally putting 5 unclaimed sets of cremains to rest. I realize this occurred in early October, but I wanted to say thanks. Haertel Monument is working with me to get a ground level marker with all names, dates of birth and death etched on it for future placement at the grave site. The cremains were well marked, and I have scanned supporting documentation into a file so that if a family member of any of these decedents comes forward we can reunite the proper cremains with the family. They would also have a proper place to visit their loved one should they choose to.

Respectfully Submitted,

David A. Patton

Security Services September 2024 Report

For the month of September, the total number of prohibited items prevented from entering the Courthouse are:

Guns -	0
Knives -	62
O.C. -	10
Misc. Items -	9

The miscellaneous items that were located were four (4) pairs of scissors, a grill brush, pliers and three (3) pliers.

Security Services screened 7,418 people entering the courthouse for the month of September. Security Services had 18 security requests from different departments within the Courthouse for the month. We also served four (4) civil process papers and fulfilled four (4) warrants for the month.

Security Services handled one (1) complaint in the jail. The complaint was for a theft of an inmate's canteen money from their account. Security Services is also still investigating a theft from room 114 and 115 of some IT equipment. Security found a lost debit card and returned it to the owner.

In September, the courts had two (2) jury trials that brought in roughly 100 more people to the building for jury duty.

During the Month, I utilize part-time employees for 23 hours to fill employee shortage hours. Several shifts ran short due to no part-time employees able to help.
